

# How to find new or secondhand spare parts for front axle or transmission

We offer both complete spare parts kits and sub-components.

Call us or send us a mail and we will make you a non-binding offer for Carraro, Dana or ZF covering 90% of all machines.

## GUIDE

### FIND THE RIGHT SPARE PARTS

#### HOW TO ORDER IN 3 STEPS

**1.** The information you need - when you order - is placed on the front axle.

**2.** Find and clean the small metal plate mounted on the axle.

**3.** Write down the number of the axle type and send this number to us.

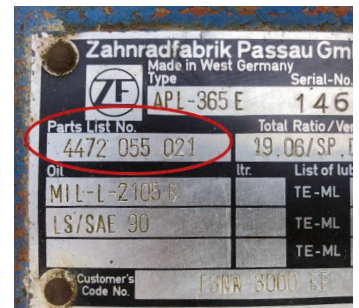

#### ZF Parts

Please give us the 10-digit ZF number and get an offer for original parts to the axle or transmission in question and require a catalogue from us if requested.

#### Dana-Spicer

Please give us the 6-digit Dana number and get an offer for original parts to the axle or transmission in question and require a catalogue from us if requested.

#### Carraro

Please give us the 6-digit Carraro number and get an offer for original parts to the axle or transmission in question and require a catalogue from us if requested.

*We have the possibility of making cross-references for a wide range OEM item numbers.*
